Subject: Scrap List - ES Basement 7-7-22

Unatego CSD Board of Education Members,

Please consider approving the attached surplus lists for disposal. The lists attached contains district technology equipment that has either reached its useful end of life and will be/has been replaced or is no longer useable due to damage/component failure. The equipment includes laptops, desktops, chrome books, iPads, monitors, projectors and other misc. things like cabling, keyboards and mice. The majority of the equipment is no longer working, and we have parted it out to repair other equipment before adding it to the surplus lists. Once the lists are approved, I will have a recycler pick up the equipment for disposal. Please let me know if you have any questions.

Thank you
Ed
