Re: Additional Savings Account

Date: March 7, 2017

After recent discussions with Community Bank, it was discovered that the current rate of interest that the district is receiving on its certificate of deposit for scholarships is the same rate that is being paid on savings accounts.

Therefore, I would like to establish a new savings account, specifically for the scholarship funds. This would enable the funds to be accessible at any time, and would make it easier to add additional scholarship monies to the account (without having to wait for the CD to mature).

I recommend that the Board of Education approve the establishment of the account.

To Whom It May Concern,

In response to the recent color guard instructor job posting, I would like to express my interest as this position is one in which I had held previously. I really enjoyed my time in this position during the 2016 season and seeing interest grow as last year was the first year in many that the district was able to offer this opportunity to the student population.

I am a veteran of the Ogdensburg Free Academy High School Marching Band and was a member for 6 years. Aside from my experience within the marching band community, I also instructed baton classes to several students over a 7 year period of time in which I provided choreography for routines in which were performed both on stage and in parades during the summer season.

I would love to bring my talent, passion and dedication back this year to help continue to build both interest and encouragement of this art within the district. I really enjoyed teaming up with Mrs. Nages in this new endeavor and would love to have the privilege of doing so this year as well. Please feel free to contact me at your convenience by e-mail or by telephone. I look forward to hearing from you and I thank you for your time.

Best Regards,

Lisa Guild
