Re: 30 day contract with Rolling V Bus Corporation

Attached is a 30 day emergency transportation contract with Rolling V Bus Corporation, for the transportation of a student.

Due to the time constraints and changes to the arrangement that the district has used in the past, there wasn't time to do an RFP before school started. This emergency contract will cover us for the next month, while we solicit proposals for the rest of the school year.

I recommend that the Board of Education approve this emergency contract.
