<p>Administrator’s Report-High School Principal Julie Lambiaso</p> <ul style="list-style-type: none"> • Working on the Master Schedule while learning School Tools at the same time has been challenging. • Waiting on guidance from NYS, as to what the school year will look like in September. • Summer school program has been completed. There were more than 40 students that attended. Every student in the program passed their courses, except for one. The majority of the students that attended were all-remote students for some or all of the year. • The enrichment program was a success. This year offered a Drama program, which had about 45 students in total. Some of the students had never participated in a drama production before. All students did a fantastic job. • The summer sports program is still underway, with about 20 students participating. • After completing summer school, the district had one August graduate. Congratulations to that student! 	<p>J. Lambiaso</p>
<p>Superintendent’s Report-Dr. David S. Richards</p> <ul style="list-style-type: none"> • Supt. Richards explained to the board that we are waiting on NYS for guidance on the re-opening of school in September. We will continue to follow the CDC guidelines. Our goal is to have 100% of students back to in-person learning 5 days a week. • Masks will be worn for all staff/students, social distancing of 3 feet instead of 6 feet. PE, Band and Chorus will be in-person with social distancing of 6 feet instead of 12 feet. • Masks will have to be worn at all times on transportation with no social distancing. • There will be no all-remote option for 21-22. • The district will be using money from a grant to purchase hepa filtration systems for all classrooms. • We will continue to disinfect daily. • The District has to use a percentage of the grant to help fund the afterschool program. 	<p>Supt. Richards</p>
