

# UNATEGO COVID-19 CONTACT TRACING PROTOCOL

**Contact Tracing** – Otsego County Public Health will be responsible for all contact tracing as they would any positive case of COVID-19 located in Otsego County. We will work closely with the school district and family to identify all close contacts. This includes the schools providing us with information, class logs, contact information, bus logs, etc. Individuals identified as contacts will be notified and issued quarantine orders. If the individual(s) live in Otsego County they will receive daily follow up from Otsego County staff to monitor symptoms and ensure compliance. If individuals live in another county, the County where the individual resides will issue orders and conduct daily follow-up with that individual. Otsego County Public Health will work with the school district on guidance related to cleaning and disinfecting as well as additional testing of students or staff. School buildings where a positive case is found may be shut down for at least 24 hours for cleaning and disinfecting, and to ensure contact tracing
