

take time for  
**school**  
**BREAKFAST**

Attention Unatego Families:

We are pleased to announce that beginning in September 2017, ALL Unatego students will receive a free breakfast. A combination of federal and state grants will ensure that all our students start the day with a tasty breakfast. Research has shown that a good breakfast helps ensure that students are ready to learn. More information will be forthcoming between now and the start of school in the fall.
