

Unatego Alumni Association

Dear Alumni of the Milestone Reunion Classes for 2018,

Early congratulations on your milestone anniversary! We recognize the following special reunion anniversaries this year for the classes of: 1968 (50th), 1973 (45th), 1978 (40th), 1983 (35th), 1988 (30th), 1993 (25th), 1998 (20th), 2003 (15th), 2008 (10th).

Please consider the Unatego Alumni Association as your partner in celebrating your reunion. We will hold our third annual All Class Reunion Mixer at the Long River Inn in Unadilla on Friday, July 20th, starting at 6:00 P.M. This event is an opportunity to mix and mingle with fellow alumni and enjoy great food, beverages, music, and memories. Last year we had a great turnout and we expect an even greater turnout this year. For a gathering like this....the more, the merrier! Please consider holding your specific class reunion on or around that event. More information about the mixer will be provided in our upcoming newsletters.

Class representatives will be in contact with you. You, in turn, may contact fellow classmates with whom you have kept in touch. Additionally, representatives will have class lists available with the latest contact information. A list of class representatives (Class Captains) can be found on the Unatego Central School District Website and the Unatego Alumni Association Facebook Page. If your class has no representative, one or more of you may wish to fulfill that role for your class.

A milestone class reunion is your opportunity to celebrate the times you shared at Unatego.

Let's get together!

Sincerely yours,

Courtenay O'Hara

President
